## HELPING OUR NEIGHBORS

Have you wanted to be part of a mission team helping people to recover from a disaster but couldn't travel to the Gulf Coast? There are 800 families in NW Indiana who still need help because of flooding from the remnants of Hurricane Ike in 2008. Project LARRI (Lakeshore Area Regional Recovery of Indiana) is seeking volunteers to help with the rebuilding efforts.

Plan now to join the team the week of Sept 12-Sept 18. Projects could include framing, hanging wallboard, mudding the wallboard, painting, sanding and staining woodwork etc. Guys and gals are needed--if you would like to help, contact Jan Gerzevske, [jgerz@netzero.com](mailto:jgerz@netzero.com) or 630.294.5014 for further details.

If you would like to help but are unable to arrange your schedule to volunteer, contributions for the purchase of materials are welcome.
